

Horizon Dental Plans

We have affordable dental plans for you and your family.

Adding a dental plan to your medical coverage makes great sense, because keeping your medical and dental records together gives doctors and other health professionals better insight to treat you. With these plans, you have access to cleanings and oral exams, X-rays and savings for services such as crowns, fillings, root canals and more.

Covering a child under age 19?

Horizon Young Grins

The Horizon Young Grins Plan emphasizes prevention and early intervention through routine oral screenings, evaluations and cosmetic orthodontia, all to help keep those young grins healthy and looking their best.

Horizon also offers these individual and family dental options:

Horizon Family Grins and Horizon Family Grins Plus

The Horizon Family Grins Plan offers the same quality pediatric coverage as Horizon Young Grins, along with dental coverage for parents or guardians. Horizon Family Grins Plus adds out-of-network⁽¹⁾ coverage for members over age 19. Each plan offers coverage for cosmetic orthodontia as well.

Horizon Healthy Smiles and Horizon Healthy Smiles Plus

The Horizon Healthy Smiles Plans offer comprehensive coverage. No out-of-network benefits are included. Horizon Healthy Smiles Plus provides access to the most expansive Horizon dental network available.

Horizon Individual

The Horizon Individual Plan provides 100% coverage for preventive, diagnostic and most basic services with no deductible, copayments or maximums. Coverage for major services is available at a specified coinsurance amount. Your selected primary care dentist will coordinate all your dental care, including referrals to specialists if necessary.

Horizon Centurion

The Horizon Centurion Plan provides on average a 30% discount on all services with no deductible or maximums, no referrals or claim forms, no exclusions and no waiting.

1. Out-of-network doctors and other health care professionals can bill you for the difference between the charges Horizon has agreed to pay and the actual charge for the service.
