## New Offering Your Plan and Rate

Review plans

You'll find all of the AARP Medicare Supplement Insurance Plans from **UnitedHealthcare Insurance Company of America (UnitedHealthcare)** listed on the page titled "Overview of Available Plans" in this section. Please see the Plan Benefit Tables for the coverage details for each plan. Eligibility for certain plans depends on your age and/or your Medicare Part A effective date.

2 Discover your rate with applicable discounts

Your rate for the plan you select will be based on several factors, including your age on the plan effective date, gender, tobacco usage, Medicare Part B effective date, and eligibility for certain discounts.

#### **Enrollment Discount**

#### For Applicants Age 65 and Older:

- Determine your age as of the date you expect your coverage to begin.
- Use the chart below to determine which rate Group applies to you.
- Go to the rate pages to locate your rate, based on your gender, non-tobacco or tobacco usage,\* and the rate Group that applies to you.

If the time period between your plan effective date and your 65th birthday (or your Medicare Part B effective date – whichever is later) is:							
Number of years: You are in:							
Less than 15	Group 1						
15 or more	Group 2						

If you are in **Group 1** and **under age 86**, you may be eligible for the current Standard Rate with the Enrollment Discount. The Enrollment Discount applies if you are between the ages of 65 and 85 and your plan effective date is within 15 years following your 65th birthday (or your Medicare Part B effective date, if later), and you do not have any medical conditions on the application that would qualify you for the Level 2 rate. You can find information about the Enrollment Discount on the back of this page. Your answers to the medical questions on the application may also affect your monthly premium as the rate page indicates.

#### **Multi-Insured Discount**

You can take **7%** off your monthly premium if two or more members are enrolled under the same AARP membership number and each is insured under an eligible AARP Medicare Supplement Plan insured by UnitedHealthcare.

3 Enroll

After you choose a plan and find your specific rate, simply fill out the application and any additional required forms in this booklet with your licensed insurance agent and send them in using the enclosed postage-paid reply envelope. Or, you can conveniently enroll online with the guidance of your licensed insurance agent.

<sup>\*</sup>You are eligible for a non-tobacco rate if you have not smoked tobacco cigarettes or used other tobacco products within the past 12 months. **Note:** Do not choose the rate for tobacco users if you are eligible for guaranteed acceptance based on the information shown on your Application Form.

### **Understanding the Discounts**

#### **How it works**

The Enrollment Discount is applied to the current Standard Rate, which usually changes each year. The discount you receive in your first year of coverage depends on your age as of your plan effective date. The discount is 45% at ages 65 through 67. The discount percentage reduces by 2% each year on the anniversary date of your plan from age 68 to age 79 and then by 3% from age 80 until it reaches 0% on the anniversary date of your plan on or after age 86. Please keep this in mind when budgeting for your health insurance expenses.

The **Multi-Insured Discount** is taken off of the Enrollment Discounted rate, where applicable.

## Example 1: Meet Jill\*

- Plan Effective Date: January 1st
- Jill's age on her Plan Effective Date: 66
- Time since her Medicare Part B enrollment: 1 year

- Enrollment Discount will change to 43% on her plan anniversary date of January 1 of the year Jill is age 68
- Multi-Insured Discount off the Enrollment Discounted rate: 7%

## Example 2: Meet Harry\*

- Plan Effective Date: June 1st
- Harry's age on his Plan Effective Date: 81
- Time since his Medicare Part B enrollment: 16 years
- No medical conditions listed on the application

## Harry is <u>not eligible</u> for the Enrollment Discount or Multi-Insured Discount

Although Harry does not have a medical condition listed on the application, it has been more than 15 years since he enrolled in Medicare Part B, so he is not eligible for the Enrollment Discount. Harry is not eligible for the Multi-Insured Discount since he is not enrolled under the same AARP membership number as another eligible, insured plan member.

  - within 6 months of enrollment in Medicare Part B; or
  - within 6 months beginning with the month in which a retroactive determination of eligibility for Medicare is made.

Unless you are entitled to guaranteed issue of a Medicare supplement plan as shown under the following "Guaranteed Acceptance" section.

#### Guaranteed Acceptance

- Also, you may have a guaranteed issue right to enroll in a Medicare supplement plan in certain situations. Some examples:
  - you have a specific type of health insurance coverage that changes in some way, such as a loss of the coverage, or
  - you enrolled with a "trial right" to try a Medicare Advantage Plan but change your mind and want to switch back to a Medicare supplement plan during the trial period.

If you received a notice from your employer or prior insurer saying you are eligible for guaranteed issue of a Medicare supplement plan, you may be guaranteed acceptance into one or more AARP Medicare Supplement Plans. If you have a guaranteed issue right, you must provide a copy of the notice, disenrollment letter or other documentation you received AND your Application Form must be received no more than 63 days after the termination date of your prior coverage. The documentation should include the type of coverage being lost, the termination reason, the termination date and the name of the person(s) who lost or is losing coverage.

## Rules and Disclosures about this Insurance

This page explains important rules governing your Medicare supplement coverage. Please read them carefully and make sure you understand them before you buy or change any Medicare supplement insurance.

### PREMIUM INFORMATION

We, UnitedHealthcare Insurance Company of America, can only raise your premium if we raise the premium for all policies like yours in this state. If you qualify for an Enrollment Discount based upon your age and your Medicare Part B effective date, your premium may increase as your Enrollment Discount reduces or runs out when you age.

The Monthly Plan Rate may be reduced when you qualify for a discount:

## Multi-Insured Discount

A 7% discount is applied if two or more AARP members are insured under an eligible AARP-branded Medicare supplement insurance policy insured by UnitedHealthcare Insurance Company of America or an affiliate ("UnitedHealthcare") under the same AARP membership number and share a household address. Eligibility for this discount will no longer apply if only one insured remains on the account (other than in the case of death).

Electronic Funds Transfer (EFT) Discount
 A \$4.00 discount is applied when your monthly payments are automatically forwarded by your bank (without payment by check).

Other Discount:

## Annual Payer Discount

A \$24.00 per year per household discount is applied when you pay your entire 12 months of premium (August through July) in August.

Note: The EFT Discount and the Annual Payer Discount cannot be combined.

## **DISCLOSURES**

Use this outline to compare benefits and premiums among policies.

## READ YOUR CERTIFICATE VERY CAREFULLY

This is only an outline describing your certificate's most important features. The certificate is your insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your insurance company.

## RIGHT TO RETURN CERTIFICATE

If you find that you are not satisfied with your coverage, you may return the certificate to:

UnitedHealthcare

PO BOX 30607

Salt Lake City, UT 84130-0607

If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued and return all of your premium payments. However, UnitedHealthcare has the right to recover any claims paid during that period. Any premium refund otherwise due to you will be reduced by the amount of any claims paid during this period. If you have received claims payment in excess of the amount of your premium, no refund of premium will be made.

### POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

## **NOTICE**

The certificate may not fully cover all of your medical costs. Neither UnitedHealthcare nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult the Centers for Medicare & Medicaid Services (CMS) publication *Medicare* & *You* for more details.

### COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the enrollment application for the new certificate, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your certificate and refuse to pay any claims if you leave out or falsify important medical information. Review the enrollment application carefully before you sign it. Be certain that all information has been properly recorded.

## NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE UNITEDHEALTHCARE INSURANCE COMPANY OF AMERICA

Horsham, Pennsylvania

### Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company of America. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

### Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

The replacement policy is being purchased for one of the following	owing reasons (check one):

This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.</li> <li>State law provides that your replacement policy or certificate may not contain new pre-existing conditions, waiting periods, elimination periods, or probationary periods. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.
Do not cancel your present policy until you have received you	ur new policy and are sure that you want to keep it.

## NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE UNITEDHEALTHCARE INSURANCE COMPANY OF AMERICA

Horsham, Pennsylvania

### Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by UnitedHealthcare Insurance Company of America. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

### Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement policy or leave your Medicare Advantage plan. The replacement policy is being purchased for one of the following reasons (check one):

(Signature of Agent, Broker or Other Representative)  (Applicant's Signature)	(Date)

The insurer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits</li> </ol>	concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.
fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.	3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application
