

Guaranteed Savings Program

Announcing Harborside's Guaranteed Savings Plan for PSE&G and NJNG Natural Gas territories

- Harborside Energy is offering a Guaranteed 7% Discount below the monthly published Natural Gas Rate from PSE&G and NJNG, including Sales and Use Tax (SUT)
 - NJNG accounts are for Rate Class GSL (General Service Large) and the monthly rates can be found on this link:
<https://www.njng.com/regulatory/pdf/PricetableLargeCommercial.pdf>
 - PSE&G accounts are for Rate Classes LVG and GSG and the monthly rates can be found on this link: <https://nj.pseg.com/aboutpseg/regulatorypage/pricetocompare>
- The Term is from the March 2023 meter read date, and will run through the November 2023 meter read date, an 8-month term.
 - Return to the utility supply as a full-service customer, this is the default option
 - Lock into a fixed rate to cover winter / shoulder months
 - Choose another energy supplier
- We are unable to guarantee monthly savings for the November to March meter read period and we will not offer a guaranteed discount rate during this period
- Customers can enroll back into this program again for their March 2024 meter read, running through the November 2024 meter read, a full 8-month term
- This is considered a variable rate program, and there is no early termination fee (ETF) if a customer leaves the program prior to the November end date. In addition, a customer can convert to a fixed price at any time with no ETF
- Harborside reserves the right to discontinue this program at any time, but will honor the guaranteed savings to any customer already enrolled until the contract expiration date
- Actual Discount of Gas Supply Rate before SUT is 7.46%
