

# DINER, RESTAURANT, AND CATERING INSURANCE SPECIALISTS

## Insurance For Catering Halls

General Liability Insurance protects your business from many different claims related to **liability injuries and damages. Ensure your business is properly protected against unforeseen risks and events.** General liability can **help small businesses pay for lawsuits and avoid bankruptcy.** A general liability policy ensures that you will be able to **compensate a customer if you damage their property or are responsible for a personal injury.**

## Insurance For Diners & Restaurants

All policies can be customized to your unique **business needs**, however a typical policy will include:

**The restaurant.** This is typically the structure, but can include permanently installed fixtures, machinery, and equipment.

**Contents of the restaurant.** The items that are inside the building, such as inventory, equipment, and supplies.

**Customer Property.** This category includes items that are left in your care, custody, or control.

## Customizing A Business Owners Policy For A Restaurant

A BOP policy is much more than just Liability and Property insurance, essential coverages that can be added to a business owners policy include:

Spoilage, Utility Interruption, Signs, Employment Practices Liability (EPLI), Liquor Liability, Umbrella
